The Aerospace Maintenance Council’s flagstone event, the **Aerospace Maintenance Competition**, recognizes and celebrates the aviation maintenance technician.

Five-member teams of current and future maintenance professionals showcase their abilities and test their skill and knowledge in a variety of competitive events.

The competition is held annually in conjunction with Aviation Week’s Network MRO Americas.
WANT TO PARTICIPATE?

Register a Team. Participate in one of five categories. Commit early, space is limited. $750 industry registration fee, $500 for schools, free for military.

Sponsor a competitive event. Sponsors provide equipment for two simultaneous events, detailed instructions for the event manual, and at least two representatives to act as judges. $4,000 event sponsorship fee.

Prize and product sponsorship. Highlight your company or product on the event website and competition signage. Sponsors provide either prizes (in multiples of five) or product for 500 competitor goodie bags. $1,500 prize sponsorship fee.
